

Dr. Maria Voyatzaki

Associate Professor, School of Architecture, Aristotle University of Thessaloniki

Department of Architectural Design & Architectural Technology, School of Architecture, Faculty of Engineering, Aristotle University of Thessaloniki

1. EDUCATION

- 1996 Doctor of Philosophy (PhD), School of Architecture and Civil Engineering, University of Bath, UK PhD Thesis entitled "An Insight into the Design Process of Unconventional Structures". The thesis was supervised by Prof. Edmund Happold and Senior Lecturer Dr. Chris Williams.
- 1990 - 1993 Postgraduate Studies at the University of Bath, School of Architecture and Civil Engineering
- 1983 - 1988 Studies in the School of Architecture of AUTH, Diploma in Architecture Engineering

2. GRANTS-SCHOLARSHIPS

- 1992 – 1993 Scholar of the Esther Parkin Trust during the second year of the PhD Thesis.
- 1990 – 1991 Scholar of the Vardinogiannis Foundation during the first year of the PhD Thesis.
- 1985 - 1988 Scholar of the National Grants Trust (I.K.Y) as one of the top student of the year at the AUTH.

3. PROFESSIONAL EXPERIENCE

- 2009- Associate Professor, Tenured (permanent contract) AUTH
- 2004 - Assistant Professor, Tenured (permanent contract), AUTH
- 2001 - 2004 Assistant Professor, AUTH
- 1993 - 2001 Senior Lecturer, Plymouth University, U.K.
- 1993 - 1996 Buro Happold, Design Assistant, Bath, U.K.
- 1992 - 1993 Teaching Assistant Bath University, U.K.
- 1988 - Free lance Architect

4. PUBLICATIONS

4.1. Publications in International Refereed Journals

5. EUROPEAN EDUCATIONAL AND RESEARCH PROJECTS

5.1 Coordination of International EU funded Educational Programmes

- 2011 - Coordinator of work package 2 'Quality in the European Higher Education Area' and work package 5 'Research and Doctorate Studies in the European Higher Education Area' of the European Network of the Education of the Architectural Technology that is financed by the EU within the framework of the Erasmus Lifelong Learning Programme, as part of the programmes ENHSA III (2008-2011).

- 2008 – 2011 Coordinator of the three-year European Programme ENHSA III European Network of Heads of Schools of Architecture, within the framework of the Lifelong Learning Programme, Multilateral Projects, Academic Networks, with total budget of 590.000 euros. www.ensha.net.
- 2007 – 2009 Coordinator of the two-year European Continuum Programme: From the School lab to the fabrication Workshop, within the framework of the Lifelong Learning Programme, Multilateral Projects: Collaboration between Universities and Small to Medium Scale Enterprises From File to Factory, with total budget of 300.000 euros. www.f2f-continuum.eu.
- 2001 - 2008 Coordinator of the European Network for the Education of the Architectural Technology financed by the EU within the framework of the Erasmus Lifelong Learning programme, as a package project of the programmes ENHSA I (2001-2005), ENHSA II (2005-2008), ENHSA III (2008-2011) with total budget of 210.000 euros.

5.2. Participation and teaching on Experimental Programmes in Architectural Education

- 2011- ADU_2020 Architecture, Design Urbanism is a structural project financed by the European Community through Europe Aid and is part of the Alfa framework. Co-operation between Higher Education Institutions (HEI) of the European Union (EU) and Latin America (LA).
- 2011 Archi-Mundus: In Quest of Quality in Architectural Education. Erasmus Mundus project, between schools of Architecture from Europe and Latin America. <http://www.archi-mundus.net>
- 2007 - 2009 Coordination-participation in the design and teaching of the two-year European Continuum Programme: From the School lab to the fabrication Workshop, within the framework of the Lifelong Learning Programme, 'From File to Factory: From the School lab to the factory workshop'. Coordinator: M. Voyatzaki www.f2f-continuum.eu
- 2007 - 2009 Participation and teaching in the Open and Distance Postgraduate Learning Programme 'e-archidot'. The project was funded by the EU (ODL programme -Socrates) Virtual Campus on Post-Master Studies in Architecture within the framework of Lifelong Learning Programme. www.e-archidot.eu
- 1997 - 1998 Participation in the Open and Distance Learning Programme entitled 'Archimedia', financed by the EU (ODL programme - Socrates) and developed between the Schools of Architecture of Thessaloniki, Plymouth, Portsmouth, Glasgow and Vienna. Scientific coordinator E. Tzekakis.

6. RESEARCH PROJECTS

- 2003 - 2004 Participation as a Research partner in the Research entitled 'Inquiry in Architectural Education in Europe' funded by Socrates-Thematic Network in Architectural Education in Europe ENHSA. Scientific Coordinator C. Spiridonidis.
- 2003 Participation in the Research 'Monitoring and Assessment of the Building Facilities of AUTH' funded by the A.U.Th. Research Committee. Scientific Coordinator Prof. K. Tsoukala.
- 2001 Participation as a member of the project group in the Research entitled 'The Educational Community's Views of Challenges in Architectural Education' funded by the CEMBUREAU and conducted with the collaboration of the EAAE (European Association for Architectural Education). Scientific Coordinator Dr. B. Reine.
- 1996 Participation as a Research collaborator in the project 'Analysis and Prognosis of the Transformation of different medium size Central European Coastal Cities'. The programme was funded by the University of Las Palmas, Gran Canary, Section of Urban Planning. Scientific coordinator Prof. Joaquin Casariego.
- 1996 - 1997 Research in precedents and comparative study of examples of interventions of coastal cities. Preparation for the volume of the International Competition: Redesigning the waterfront of Thessaloniki. Funded by the Organisation of the Cultural City of Europe, 'Thessaloniki 1997'.
- 1992 - 1993 Participation as a member of the Research group in the Research entitled "The Thermal Behaviour of the lightweight bridges for the public transport trains in Germany". The project was funded by Buro Happold in collaboration with Frei Otto and the IL Institute, Stuttgart, 1992.
- 1991 - 1992 Computer programming Research on the deformation of surfaces under different conditions (form-finding, language C++). Supervised by Dr Chris Williams.
- 1990 - 1991 Laboratory experimental applications within the framework of postgraduate studies of extreme loading conditions on surface structures (wind tunnel testing, snow load testing), School of Architecture University of Bath. Supervised by Dr. Chris Williams.
- 1990 - 1991 Laboratory experimental applications within the framework of postgraduate studies of simulation methods for the physical models of lightweight structures, School of Architecture University of Bath. Supervised by Prof. Edmund Happold.

7. ARCHITECTURAL AND URBAN DESIGN PROJECTS

- 2006 Participation in the Design of the new Pharmaceutical School of AUTH. Scientific coordinator Prof. G. Kirou.
- 2001 Participation in the project 'Sustainable development plan of the Municipality of Heraklion' that was funded by the Municipality of Heraklion through the Research Committee. Scientific coordinator Pr. E. Tzekakis.
- 2001 Participation in the project 'Investigation on the redevelopment of an abandoned quarry's facilities in Galatista, Chalkidiki'. The project was funded by the Municipality of Anthemountas through the Research Committee. Scientific coordinator C. Spiridonidis.
- 1988 - 1990 Design of projects of residential, commercial and office buildings in Athens, within the framework of my collaboration with the architects Carlo Tomagian and Timoleon Misios.

8. RESEARCH DEVELOPMENT AND EVALUATION ACTIVITIES AND INITIATIVES

8.1. Member of Research Evaluation committees

- 2012- Peer reviewer of research of the Italian Government (The National Agency for the Evaluation of Universities and Research Institutes (ANVUR) that evaluates the research conducted by the Italian Universities and Research Centres. Evaluation of Quality of Research, acronym VQR 2004-2010. <https://referee.cineca.it/>
- 2012 University of Cataluña, Valles School of Architecture, 26 October 2012, PhD Thesis title: EmDeplo Morphogenesis, PhD candidate: Ana Cocho Bermejo. Examination Committee: Joan Lluís Zamora (ETSAV), Juan Monjo (Madrid School of Architecture) and Maria Voyatzaki (AUTH), Supervisor: Ramon Sastre.

8.2. Supervising committees of PhD theses in Greece

- Supervisor of Asimina's Chatzimanoli PhD Thesis, entitled: 'Research and Assessment of the external stable arrangements of solar protection, for Energy-saving and achievement of thermal comfort in office buildings of Greece', (*Διερεύνηση και αξιολόγηση σταθερών εξωτερικών διατάξεων ηλιοπροστασίας ως προς την εξοικονόμηση ενέργειας και την επίτευξη θερμικής άνεσης σε κτίρια γραφείων στην Ελλάδα*)
- Supervisor of Kalliroi's Tzimika PhD Thesis entitled: 'The adaptivity of mixed use building cells in the large greek urban centres, as a mean of the Reduction of their Energy Consumption' (*Η Προσαρμοστικότητα Κτιριακών Κελυφών Κτιρίων Μικτής Χρήσης στα μεγάλα ελληνικά αστικά κέντρα ως μέσο Μείωσης της Ενεργειακής Κατανάλωσης τους*).
- Supervisor of Katerina's Saraptzian PhD Thesis entitled: 'Parametric Techniques of structural & topology optimization of non-standard forms' (*Παραμετρικές μέθοδοι στατικής & τοπολογικής αναπροσαρμογής (structural-topology optimization) non-standard μορφών*).
- Member of the three-member examination committee (with Em. Tzekakis (chief supervisor) and N. Tsinikas) of Giannis's Tsaras PhD Thesis: 'Theatres with transformation capabilities: Research of the flexibility parameters and the contemporary performing spaces requirements' (*Θέατρα με Δυνατότητα Μετασχηματισμού: Διερεύνηση Παραμέτρων ευελιξίας και Προδιαγραφές Σύγχρονων Χώρων Θεάματος*). Submitted on 1st June 2012.
- Supervisor in the Post-doc research of Maria's Daniel entitled: 'From Archigram to the public spaces of interaction through technological systems, Research in cities of Europe', (*Από τους Archigram στο δημόσιο χώρο της διάδρασης μέσω τεχνολογικών συστημάτων. Έρευνα σε πόλεις της Ευρώπης*).

9. TEACHING POSTGRADUATE PROGRAMMES

Teaching for three semesters at the Open and Distance Postgraduate Learning Programme 'e-archidot'. The project was funded by the EU (ODL programme -Socrates) Virtual Campus on Post-Master Studies in Architecture within the framework of Lifelong Learning Programme and was held between the Schools of Architecture of Thessaloniki, AUTH, La Sapienza Roma, Liechtenstein, Delft, Bartlett UCL, IUAV Barcelona, Grenoble, Lyon, Warsaw, Bucharest (Ion Mincu), Dublin UCD, Dublin DIT, Madrid ETSAM, Copenhagen and Oslo. Scientific coordinator C. Spiridonidis. www.e-archidot.eu

10. INVITATIONS

10.1. Keynote speaker and lecturer at International Conferences and other organisations

- 2013 "Parameters of Product Design or Parametric Product Design". International Hellenic University, Elective Course on MSc Strategic Product Design Course Title: Parameters of Strategic Product Design or Parametric Strategic Product Design, 11 January.
- 2012 "Design in construction by the means of 'file to factory'" (*Σχεδιασμός στις κατασκευές με εργαλείο το "file to factory"*). Seminar 'Construction Sustainability & Aesthetics' (*Αειφορία & Αισθητική Κατασκευών*), 19 September 2012, International Hellenic University, co-organisation: Διεθνές International Hellenic University & KTIRIO Journal, Coordinators: N. Mousiopoulos- P. Papaioannou.
- 2012 "Matter, Material and the Alive", ROCAD, International Convention of Architecture and Design, 15-17 May 2012, Parliament Palace, Bucharest. Other speakers: Mario Botta, Eduardo Souto de Moura, Peter Zumthor, Gaetano Pesce, Anton Garcia Abril, Matias del Campo, Sandra Manninger, Pierre von Meiss, Peter Bohm, Rene DaviB.D., Kostas Terizidis, Antonino Saggio, Elia Zenghelis.
- 2012 "Creative and Critical Harnessing of Matter" ICAR Re(Writing History), International Conference on Architectural Research, 18-20 May 2012. Other keynote speakers invited: Rene Davies (UCLA), Antonino Saggio (La Sapienza), Matias del Campo and Sandra Manninger (Austria), Kosta Terzidis (Harvard GSD)
- 2012 "Design of sustainable building shells" Energy-Construction-New Data (Ενεργεια, Δομηση-Νεα Δεδομενα) The Journal ECON3 and the 75th Thessaloniki International Fair: "Energy-Construction-New Data" (Ενεργεια, Δομηση-Νεα Δεδομενα). Wednesday 15 September 2012, International Convention Centre 'I. Vellidis' HELEXPO.
- 2011 "From structural systems to systemic structures: An overview on the architects' pedagogy of structures" International Symposium: Structures in Architecture symposium (Mimarlıkta Taşiyıcı Sistemler Sempozyumu), 24-26 November 2011, TC, Istanbul Kultur University (Istanbul Kültür Üniversitesinde). Other speakers: Hanif Kara, Zihni Tekin

- 2011 'Creative harnessing of matter', Bucharest ICAR (RE)Writing History, 120 Years of Architecture Schools in Romania, 17-19 May 2012, Ion Mincu University, Bucharest.
- 2011 Eugenideio, Ημεριδα Αρχιτεκτονικη Ποιοτητας, Ενεργεια & Απτε (Architectural Quality, Energy & Res Seminar) Lecture title: New challenges to architecture: parameter_climate. Venue: Eugenideio Foundation, Athens, 23 March 2011. Organiser: PROFIL GROUP in collaboration with the journal Econ3.
- 2010 "Design of Energy-Conscious Building Envelopes'. National Seminar on Sustainability, Σχεδιασμός Ενεργειακών Κτιριακών Κελυφών, 15 September. Organiser: PROFIL GROUP in collaboration with the journal Econ3. International Convention Centre 'I. Vellidis' HELEXPO.
- 2010 Invited to deliver a lecture at the National Technical Chamber of Cyprus and the School of Architecture of Cyprus, March 2010.
- 2009 Invited speaker to the 1st Conference entitled: Energy, Environment, Construction. (Ενέργεια, Περιβάλλον, Δόμηση). Lecture title: Construction and Sustainable Design: Technologies and developments-Building orientation (Δόμηση και Ενεργειακός Σχεδιασμός: τεχνολογίες και εξελίξεις- Προσανατολισμός Κτιρίων). International Convention Centre I. Vellidis, 20-21 March.
- 2008 Guest speaker by the Centre of Mediterranean Architecture to a seminar on the architectural work of Mpiris brothers. Lecture entitled: 'The bi-directional path between the teaching of the idea and the teaching of the construction' ('Το αμφίδρομο πέρασμα ανάμεσα στην ιδέα και την κατασκευή ή το αμφίδρομο πέρασμα ανάμεσα στη διδασκαλία της ιδέας και στη διδασκαλία της κατασκευής'), 5 December 2008.
- 2007 Ankara Middle East Technical University, invited by MOBBIG, Communication Group of Heads of Turkish Schools of Architecture, to deliver a lecture entitled: 'Towards the Amelioration of the Pedagogy of Subject Areas in Architectural Education: The Case of Creating a European Network of Construction Teachers'. November 2007.

10.2. Scientific Reviewing Committees, International Peer-reviewed, and Greek Journals

- 2013 New generation Building, <http://www.ngbj.info>, Baltzer Science Publishers
- 2012 Editorial committee of the book: 'Technological Design of Architecture and Environment', Book Series. Initiative of the School of Architecture of Antwerp. Naples, coordinator Pr. Isabella Amirante.
- 2011 Design Studies, Elsevier Journal. Editor in Chief: Nigel Cross. <http://www.journals.elsevier.com/design-studies/>
- 2008 Automation in Construction, Elsevier Editorial System.
- 2008 - Econ3 Economy+Ecology+Construction, greek 4-month edition.

10.3. External examination of Diploma Design Theses in Schools of Architecture abroad

- 2013 External Examiner at the Masters of the School of Architecture at the University of Cyprus, May 2013.
- 2010- 2012 External Examiner at the Masters of the School of Architecture Chalmers in Gotenburg, Sweden.
- 2012 Masters: Computation in Space from the School of Architecture Berlage, 25 May 2012, Rotterdam, the Netherlands.
- 2010 Masters: Digital Knowledge (www.digital-knowledge.net) from the School of Architecture of Paris Malaquais, 27 January 2010, Paris, France.
- 2009 Institute of Advanced Architecture of Cataluña (IaaC), 23 May, Post-graduate Course: Digital Tectonics, Barcelona, Spain.
- 2004 - 2008 Dublin, External Examiner in School of Architecture of Dublin Institute of Technology, Ireland.
- 2001 - 2007 School of Architecture Ion Mincu, Bucharest, Romania.
- 1999 Polytechnic of Vasa, School of Architecture (Finland).

10.4. Lectures at Schools of Architecture in Greece and abroad

- 2010 Institute for Advanced Architecture, IAAC (www.iaac.net) and the Master in Advanced Architecture (Director Marta Malé-Alemay).)
- 2010 PhD School of Politecnico di Milano entitled: 'Innovative Design and Construction Technologies', invited by the coordinator of the programme, Prof. Ingrid Paoletti, 31 March 2010.
- 2010 Master Digital Knowledge of Philippe Morel in the School of Architecture of Paris Malaquais, 27 January 2010, Paris, France.
- 2009 'Round table' at the International Conference entitled: Bringing the World Into Culture: On Comparative Methodologies in Architecture, Design, Art, and Science, 5 November 2009.
- 2007 Invited as a reviewer at the Italian Master Degree. Politecnico Di Milano, Scuola di Dottorato di Ricerca, School of Doctoral Programmes.
- 2002 Belfast, Diploma Course, to deliver a lecture on the relationship between Idea and Construction in architectural design.
- 1998 Two lectures at the Post-graduate Programme of the National Technical University of Athens (NTUA) on Architecture and Technology.

10.5. Jury and reviewing committees

- 2013 Member of the jury committee in the 6th Competition on Industrial Design of Dromeas Company, Serres,
- 2006 International Competition on Architectural Education of the Open House International Journal.
- 2006 International Student Competition of the School of Architecture of AUTH, entitled: 'Knot' ('Κόμβος') for the re-design of the cafeteria's reception hall at the Department's wing.
- 1998 Participated as a jury member in the international competition of Diploma Design Theses entitled "International Review-Competition of the Best Diploma Projects specialised in Architectural Design", Ministry of High and Professional Education of

Russian Federation Saint Petersburg State University of Architecture and Civil Engineering (SPSUACE), 20-26 September, St Petersburg.

10.6. Member of Scientific Conference committees

- 2013 Member of the scientific committee of the International Symposium in Delft entitled: 'Computation and Performance', 18-20 September 2013. eCAADe
- 2012 Member of the scientific committee of the International Symposium in Lyon of France entitled: 'mc2012: Architectural Perception, fabrication and fabrication'.
- 2012 Member of the scientific committee of the International conference in Paris entitled: 'Advances in Architectural Geometry 2012', 27-30 September 2012.
- 2010 Member of the scientific committee of the European International Conference 'The construction of a (new) culture and the culture of (new) construction', 24-26 June 2010. In collaboration with the European Association for Architectural Education (EAAE) and the School of Architecture of Yildiz Technical University, Faculty of Architecture, Department of Architecture.
- 2007 Member of the scientific committee of the European Conference in Lisbon entitled: 'Teaching and Experimenting with Architectural Design: Advances in Technology and Changes in Pedagogy'. School of architecture, University Lusitana, Lisbon.
- 2006 Member of the scientific committee of the international workshop entitled 'Accommodating New Aspects of Interdisciplinarity in Contemporary Construction Teaching', Venice. Hosted by the School of Architecture, University IUAV Venice.
- 2006 Member of the scientific committee of the conference entitled 'Current practices and Development prospects on the Teaching of Structure Construction and Architectural Technology on the Engineer's studies in Greece'. Hosted by the School of Architecture of the Aristotle University of Thessaloniki.
- 2003 Member of the scientific committee of the international workshop entitled: 'Construction Teaching Methods: The Exercise(s) in the Teaching of Construction', France. Hosted by Les Grands Ateliers de L' Isle d' Abeau.
- 1998 Member of the scientific committee of the international conference in Plymouth entitled: 'Architecture and Engineering: Teaching for a Multidisciplinary Practice'. Hosted by the University of Plymouth, UK.

11. ORGANISATION OF INTERNATIONAL CONFERENCES AND EXHIBITIONS

11.1. Organisation of seminars and international conferences

- 2013 Initiative and responsibility for the organisation of the International conference entitled: 'Architectural Education and the Reality of the Ideal: Environmental design for innovation in the post-crisis world', 3-5 October 2013, Naples, Italy. Within the framework of the activities of the Network of Heads of Schools of Architecture and in collaboration with the School of Architecture of the University Federico II and the School of Architecture of the University of Aversa. Keynote speakers: Dean Hawkes (Cambridge), Simos Yannas (AA), Nick Baker (Cambridge), and Wassim Jabi (Cardiff).
- 2013 Co-organiser with C. Spiridonidis of the 16th Meeting of Heads of European Schools of Architecture entitled: 'Dealing with Change For a dynamic, responsive adaptive and engaged architectural education', 31 August - 4 September, Chania, Crete. Within the framework of the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Marcos Cruz, Howard Davis, Per Olaf Fjeld, Alfonso Gomez.
- 2013 Co-organiser with C. Spiridonidis and Juri Soolep of the International Forum on Doctoral Education in Europe, entitled: 'Archidoctor Universalis Future of Research in European Architectural Education', in collaboration with Riga Technical University, School of Architecture and the University of Umeå, School of Architecture, 12-14 March 2013, Riga, Latvia.
- 2012 Initiative and responsibility for the organisation of the European conference entitled: 'Scaleless - Seamless? Performing a less fragmented architectural education and practice', 15-16 November 2012, Munster, Germany. In collaboration with the European Association for Architectural Education and the School of Architecture of Munster within the framework of the activities of the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Kas Oosterhuis, Achim Menges, Philippe Morel, Mette Ramsgard Thomsen, Ulrika Karlsson, Marcus Fimpel (CATIA).
- 2012 Co-organiser with C. Spiridonidis of the 15th Meeting of Heads of European Schools of Architecture entitled: 'Improving Learning Quality in Architectural Education Environments', 1-5 September, Chania, Crete. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Kostas Terzidis, Jean-Loup Castaigne, Dimitris Mavroskoufis.
- 2011 Co-organiser with C. Spiridonidis of the 14th Meeting of Heads of European Schools of Architecture entitled: 'Doing more with less: Architectural Education during Challenging Times', 3-7 September, Chania, Crete. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture. Keynote speaker: Manuel Delanda.
- 2011 Co-organiser with C. Spiridonidis of the International Symposium entitled: 'Rethinking the Human in Technology-Driven Architecture', 30-31 August, Chania, Crete. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Manuel Delanda, Edith Ackerman, Antonino Saggio and Kostas Terzidis.
- 2010 Co-organiser with C. Spiridonidis of the 13th Meeting of Heads of European Schools of Architecture entitled: 'Learning for the Future: priorities of schools of architecture in the era of uncertainties', 4 -8 September, Chania, Crete. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture. Keynote speakers: Marvin Malecha (Raleigh USA), Pierre von Meiss (EPFL)

- 2010 Co-organizer with C. Spiridonidis for the international conference entitled 'Educating Architects Towards Innovative Architecture', 17-19 June, Istanbul, Turkey. In collaboration with the European Association for Architectural Education and the School of Architecture: Yildiz Technical University, Faculty of Architecture, and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Marcos Cruz (Bartlett), Laura Lee (Pittsburg SoA).
- 2010 Co-organiser with C. Spiridonidis in the organisation of the International conference entitled: 'Teaching a new Environmental Culture: The Environment as a Question of Architectural Education', 27-29 May, in collaboration with the School of Architecture of Frederic University. Keynote speakers: A. Tobazis, M. Fedesky, S. Altomonte.
- 2009 Co-organiser with C. Spiridonidis in the organisation for the 12th Meeting of Heads of European Schools of Architecture entitled: 'Bologna 10 Years after: A critical Mapping of Higher Architectural Education', 5-8 September, Chania, Crete. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speaker: Ali Rahim, Julia Wilson-Bolles.
- 2009 Initiative and responsibility of the organisation of the International conference entitled: 'File to factory: The design and fabrication of innovative forms in a continuum', 3-4 September, Grande Arsenal, Center of Mediterranean Architecture, Chania, Crete. Keynote speakers: Kas Oostehuis, Ali Rahim, Philippe Morel, Marta Malé-Alemany.
- 2009 Co-organiser with C. Spiridonidis in the organisation of the International conference entitled: 'Architectural Design and Construction Education: Experimentation Towards Integration', in collaboration with the School of Architecture of Genoa and the Design Teachers Network & Construction Teachers Network that are developed within the framework of the Erasmus LLP 'European Network of Heads of Schools of Architecture', 11-13 June 2009, Genoa. Keynote speakers: PLASMA Studio, Cristiano Ceccato (Zaha Hadid Architects), Marco Verde (Hyperbody).
- 2008 Co-organiser with C. Spiridonidis in the organisation for the 11th Meeting of Heads of European Schools of Architecture entitled: 'New Responsibilities of Schools of Architecture Preparing Graduates for a Sustainable Career in Architecture', 6-10 September, Chania, Crete. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA).
- 2007 Initiative and responsibility of the organisation of the 6th European conference entitled: 'Emerging Possibilities of Testing and Simulation Methods and Techniques in Contemporary Construction Teaching', 22-24 November 2007, Mons, Belgium. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Hanif Kara, Fabio Gramazio and Mathias Kohler.
- 2007 Co-organiser with C. Spiridonidis in the organisation for the 10th Meeting of Heads of European Schools of Architecture entitled: 'Ten Years of Heads' Meetings: Navigating through the European Higher Architectural Education area', 1-5 September, Chania, Crete. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Odile Decq, Luigi Snozzi.
- 2007 Co-organiser with C. Spiridonidis in the organisation of the European Conference of Architectural Design Teachers at the School of Architecture of Lusiada University, entitled: 'Teaching and Experimenting with Architectural Design: Advances in Technology and Changes in Pedagogy', 3-5 May, Lisbon. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Kas Osterhuis, Bob Sheil, Paul Coates, George Legendre, Fabio Gramazio and Mathias Kohler, Soeren Soerensen, Neil Leach.
- 2006 Initiative and responsibility of the organisation of the 5th European conference entitled: 'Accommodating new Aspects of Interdisciplinarity in Contemporary Construction Teaching', 23-25 November, University IUAV Venice. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Marta-Male Alemany (IaaC), Sean Hanna (UCL), Michael Dickson (Buro Happold), Stergios Logothetidis (AUTH).
- 2006 Co-organiser with C. Spiridonidis in the organisation for the 9th Meeting of Heads of European Schools of Architecture entitled: 'New Directive, New Directions', 2-6 September, Chania, Crete. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Craig Dykers (Snohetta), Nuno Portas, Alexandros Tombazis.
- 2006 Initiative and responsibility of the organisation of the seminar entitled: 'Current practises and Development prospects on the Teaching of Structure Construction and Architectural Technology of the Engineer's studies in Greece' («Υπάρχουσες Πρακτικές και Προοπτικές Εξέλιξης της Διδασκαλίας της Οικοδομικής και της Αρχιτεκτονικής Τεχνολογίας στις Σπουδές του Μηχανικού στην Ελλάδα»). Thessaloniki, 04 February 2006, Sports Museum.
- 2005 Initiative and responsibility of the organisation of the 4th European conference entitled: '(Re)searching and Redefining the Content and Methods of Teaching Construction in the New Digital Era', 22-24 September, Barcelona School of Architecture, ETS Arquitectura del Vallès, Universitat Politècnica Catalunya. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote speakers: Marc Burry, Antonino Saggio, Christian Schittich.
- 2005 Co-organiser with C. Spiridonidis in the organisation for the 8th Meeting of Heads of European Schools of Architecture entitled: 'Present Positions (In)forming Future Challenges', 3-6 September, Chania, Crete. In collaboration with the European Association for Architectural Education (EAAE) and the European Network of Heads of Schools of Architecture (ENHSA). Keynote Speakers: Marcos Novak, Johannes Pallasmaa, Tassos Kotsiopoulos
- 2005 Co-organiser with C. Spiridonidis in the organisation of the international conference of the Networks of Architectural and Urban Design Teaching entitled 'Ideas and Reflections on Architectural and Urban Design Education in Europe: A Follow-up Forum' September, Chania, Crete.
