

Biography	Iannis Kandyliaris joined BIG in 2012 as a Designer and Project Leader. While at BIG, he has led a number of projects, including the new Observation Tower for Phoenix, Arizona. Prior to joining BIG, Iannis was an associate principal with Brooklyn based SO-IL, contributing and leading numerous award winning and widely published projects, including Pole Dance for the MoMA PS1, the Kukje Gallery in Seoul, Korea, and recently the Frieze Art Fair in New York. He has also worked as a research assistant at Harvard, a fabricator for the Whitney Museum of American Art and interned at OMA in New York. He holds a diploma from the Aristotle University of Thessaloniki, Greece, and an M.Arch II degree from Harvard Graduate School of Design.
