PRESS RELEASE – KUP | KURZPROJEKT- 3 “Architecture and Film: Inter-cultural Experiments with the Urban Space”

The international laboratory KUP | KURZPROJEKT- 3 "Architecture and Film: Inter-cultural Experiments with the Urban Space" organized by the Laboratory for History of Architecture and Management of Architectural Heritage of the School of Architecture AUTH, in collaboration with Hochschule Für Technik of Stuttgart and Karadeniz Technical University of Trabzon, successfully completed its works on Friday, October 14, 2022, at 19:00, at the YPSILON multipurpose hall (Edessis 5, Thessaloniki), with the presentation of seven student films dealing with the multicultural identity of the Historical Center of Thessaloniki.

The event was honored by the presence of the Consul General of Turkey in Thessaloniki, Mr. Efe Ceylan, the Consul of the Federal Republic of Germany, Mr. Carsten Müller, the founder and president of the World Cultural Community of Hellenism, Mrs. Tassos Vassiliadis, the director of the Goethe Institut Ms. Beate Müller, the architect Mr. Ersin Ugursal, awarded with the Verdienstkreuz am Bande and also awarded by the state of Baden-Württemberg, members of the teaching staff of School of Architecture in Thessaloniki and many spectators.

The Ministry of Foreign Affairs was represented by the Secretary General of Greeks Abroad and Public Diplomacy, Professor Ioannis Chrysoulakis, with a videotaped greeting at the start of the event. In his greeting, the Secretary General emphasized the importance of the collaboration that took place within the framework of the workshop for international dialogue, especially among young people, the contribution of such workshops to contemporary questions and the awareness of citizens about the urban space and its multicultural issues, underlining that Thessaloniki offers a particularly interesting field for research, especially when the research tools are means of artistic expression, such as cinema.

The workshop had started its works the previous Sunday, October 9th, with the reception of 38 students from Greece, Turkey and Germany at the YPSILON multi-purpose hall. This was followed, on Monday, October 10, by a tour at the Mustafa Kemal Atatürk Museum in Thessaloniki and a reception in its gardens by the Consul General of Turkey in Thessaloniki, Mr. Efe Ceylan, and, on Wednesday, October 12, by a reception at the Maritime Museum & Café (Pier A', Port of Thessaloniki), courtesy of the World Cultural Community of Hellenism.

The workshop ended with the farewell educational trip to Vergina, a visit to the Museum of Royal Tombs, courtesy of the Directorate of Antiquities and Cultural Heritage and a tour-teaching by Alkmini Paka, Professor of the Department of Architectural Engineering, AUTH. The visit and the farewell event took place thanks to the kind support and sponsorship of the Consulate of the Federal Republic of Germany.

The organizing team of the international workshop "Architecture and Film: Inter-cultural Experiments with the Urban Space", in Thessaloniki, consisting of Dr. Styliani Lefaki, Associate Professor of the Department of Architectural Engineering, AUTH, Dr. Vanessa Tsakalidou, Assistant Professor of the Department of Architectural Engineering, AUTH, Dr. Stavros Alifragis, architect engineer and Birgit Remuss, Assistant Professor of the Jade Hochschule in Oldenburg Deutschland, would like to thank the General Secretary of Greeks Abroad and Public Diplomacy Professor Ioannis Chrysoulakis for his honorable support and recognition of the importance of the workshop, the Consulate General of Turkey in Thessaloniki, the Consulate General of the Federal Republic of Germany in Thessaloniki, the World Cultural Community of Hellenism and its president and founder Ms Tassos Vassiliadis, the head of the General Directorate of Antiquities and Cultural Heritage, Yiannis Epaminondas, Director of the Cultural Institute of Thessaloniki of MIET, Ana-Felicia Scultenicu, film maker and director, Dr. Sonay Cevic, Professor at the Karadeniz Technical University of Trabzon, Karsten Weigel, Professor at the Hochschule für Technik in Stuttgart, the people of the YPSILON multipurpose hall for their valuable contribution to the success of the project, as well as all the students for their inspiring, creative and enthusiastic participation.
